The diagram illustrates the communication flow between three groups: the Client, the Blue Focus Design Team, and the Design Team. The Client is represented by three stylized figures (a woman, a man with a beard, and a man) with speech bubbles. The Blue Focus Design Team is represented by three stylized figures (a man, a woman, and a man) with speech bubbles. The Design Team is represented by a single stylized figure with a speech bubble. The communication flow is shown by arrows: a double-headed arrow connects the Client and the Blue Focus Design Team; a single-headed arrow points from the Blue Focus Design Team to the Design Team; and a single-headed arrow points from the Design Team back to the Blue Focus Design Team. A red stamp labeled 'APPROVED' is placed near the Design Team's figure.
